Participants:

1. Three (3) young riders from each country in South East Asia (SEAEF).
2. Age & Qualification/Criteria of participants – 12-18 Years Old

Objective:

1. To create an annual meet up event among youth riders in South East Asia region. This should also provide a stimulus to the equestrian sports in each participating country at minimal cost.
2. To enable Federations and their young riders to measure their competitive strengths against their peers from other parts of the region at minimal expense to themselves and to their Federations.
3. Balance between sport, education and culture.
4. To create the esprit de corp., team spirit, sense of responsibility and team ethics through Educational and Cultural workshops organized throughout the program.
5. To give riders more exposure and more valuable experience of riding.
6. Participation among youth riders' community
7. To monitor progress of all riders by exposing them to competition against teams from other nations.
8. Educate, engage and influence young riders, inspiring them to go forward and create values within their own communities.
